Supporting Shriners Hospitals for Children — Honolulu through in-kind gifts, service and charitable donations.

In-Kind Gifts

Dolls, super hero figures and remote control cars are more than just playthings at Shriners Hospitals for Children — Honolulu. They are a prescription for joy. Toys have been shown to alleviate the symptoms of anxiety, boredom, and even pain. Your gifts are greatly appreciated and welcomed year round. Our ideal drop off time is Monday through Friday from 9 a.m. to 4 p.m. Please call ahead if you have a large donation (50+ items) that might require help from our staff.

Gift Restrictions

Due to strict infection control precautions, we can only accept new gifts.

Our hospital is *latex free*. Items such as rubber balloons, koosh balls, rubber stamps, rubber balls, and rubber erasers are not accepted. Mylar balloons and vinyl items are encouraged.
